UNITED STATES-CHINA ECONOMIC AND SECURITY REVIEW COMMISSION

The SPEAKER pro tempore (Mr. HIMES). Pursuant to section 1238(b)(3) of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 (22 U.S.C. 7002), as amended, and the order of the House of January 6, 2009, the Chair announces the Speaker's reappointment of the following member on the part of the House to the United States-China Economic and Security Review Commission, effective January 1, 2011:

Mr. Michael Wessel, Falls Church, Virginia.

REPEAL FORM 1099 REQUIREMENT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, the Small Business Administration's chief counsel for advocacy, Winslow Sargeant, testified today in the Senate that the form 1099 requirement of the health care bill should be repealed. As a cosponsor of H.R. 5141, a bill by Congressman DAN LUNGREN to repeal that section, this was music to my ears.

In his testimony before the Senate Small Business and Entrepreneurship Committee, Sargeant said, “The form 1099 requirement will greatly increase the reporting and recordkeeping burdens on small businesses.” As part of the health care bill, this section requires small businesses to issue an Internal Revenue Service form 1099 to any individual or corporation from which they purchase more than \$600 in goods or services. Mr. Sargeant went on to cite a recent study by his office that indicated that firms with fewer than 20 employees pay \$10,585 per employee on average to comply with Federal regulations. And we wonder why small businesses aren't hiring.

It's time to repeal this burden and to work to get government regulations off the backs of our job creators. The true economic stimulus is the small businesses of this Nation, and they need our help.
